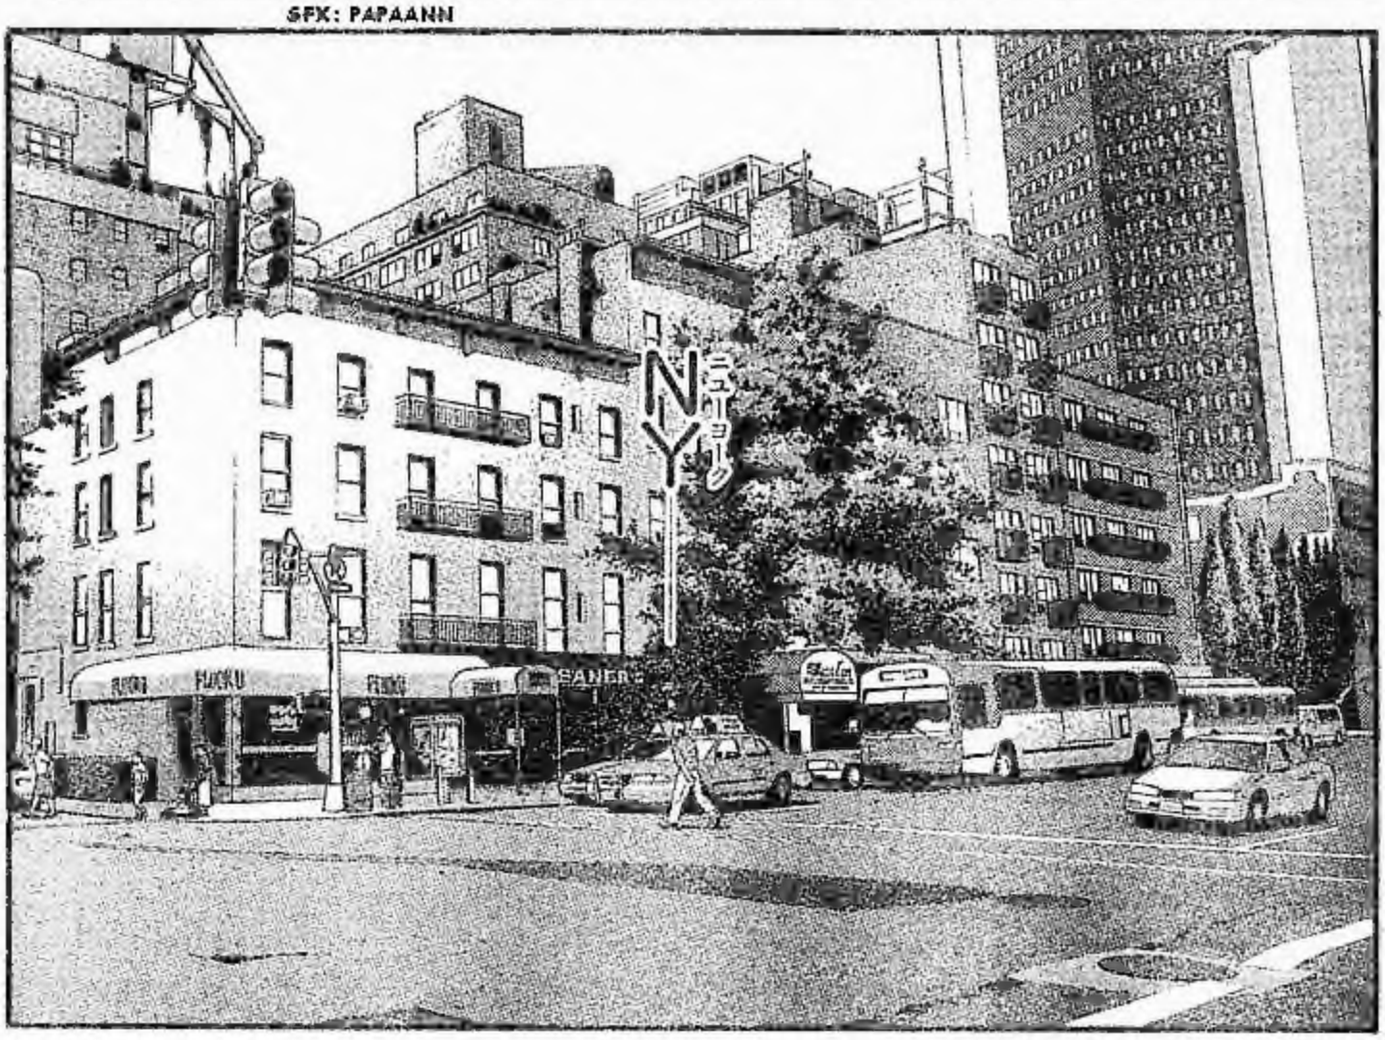
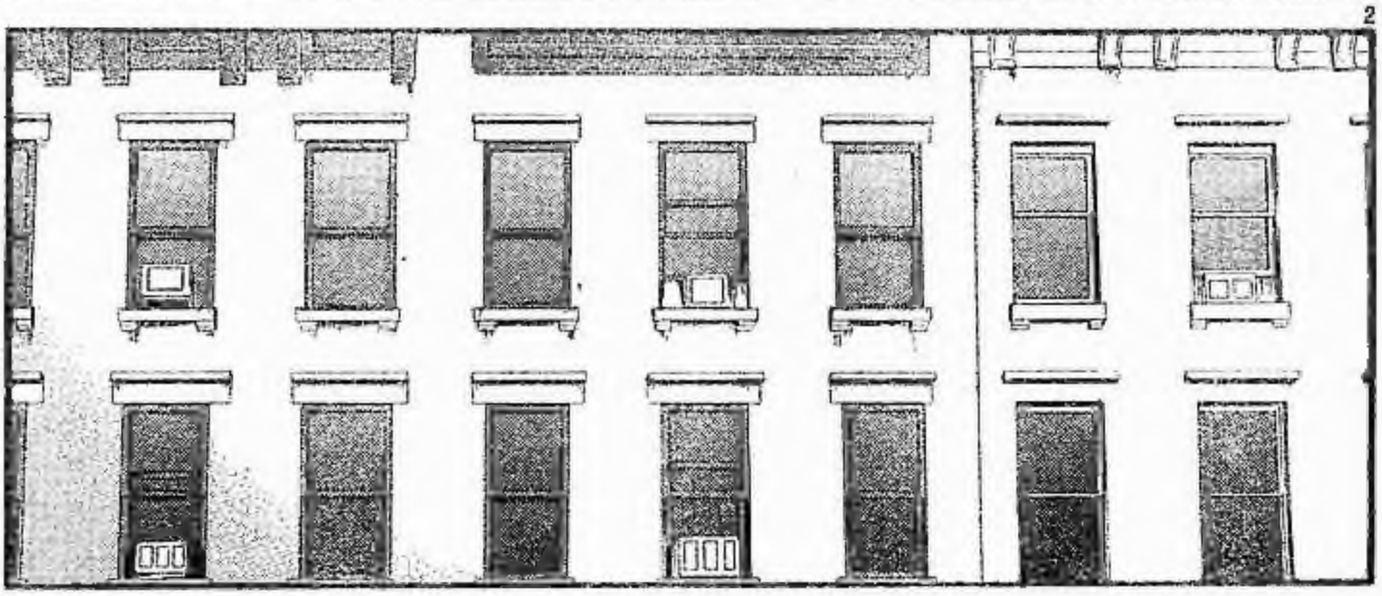
ART & STORY BY HAROLD SAKUISHI

SFX: BUUBUUU

SFX: PAPAANN





Everything is for the sake of realizing your aspirations. Leon Sykes grows closer to "Devil's Way".

*This manga is fiction, the persons, companies, place and country, etc names have no relation to actual names.

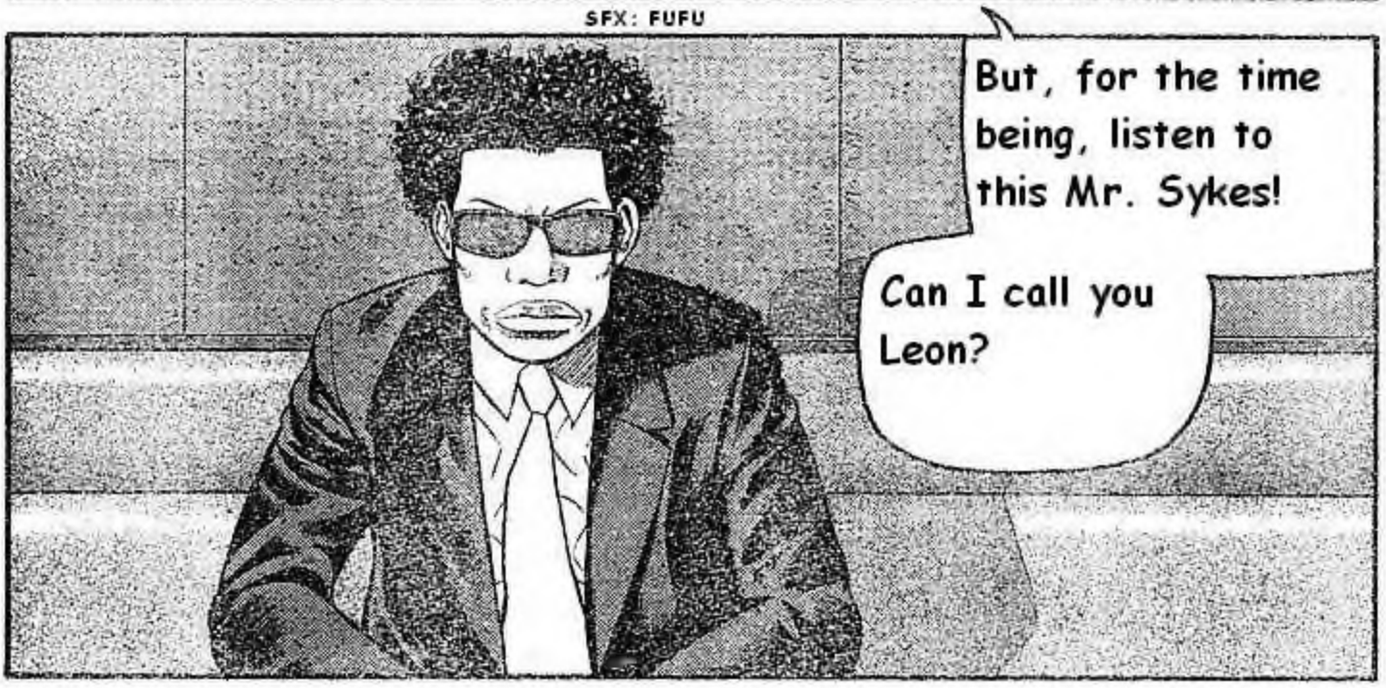
I've got a ton of stuff I'd like to say.
I worked super hard for this.
フフッ

SFX: FUFU



But, for the time being, listen to this Mr. Sykes!
Can I call you Leon?

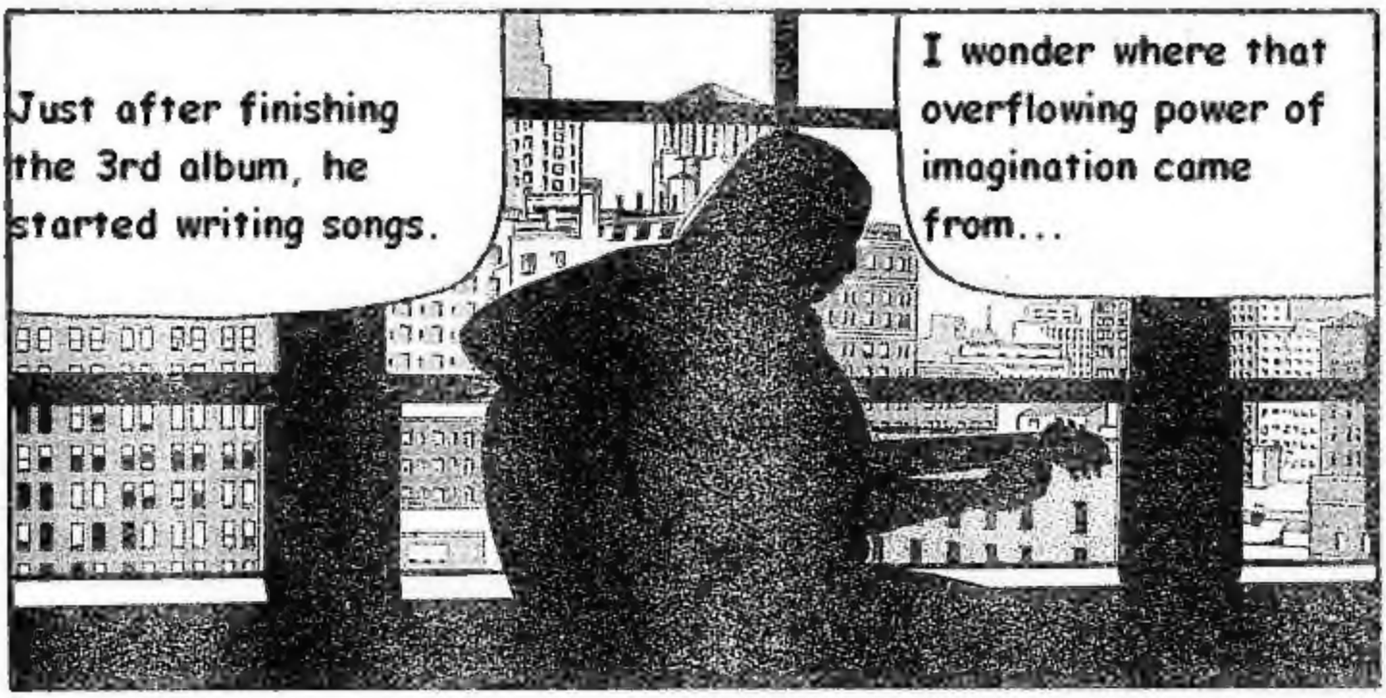
砂漠といえば内陸にあるものだが、アタカマ砂漠は南米・チリの海岸沿いにある。冷たいペルー海流が空気を冷やしたことで、空気中の水蒸気が少なくなり、雨が降らないから植物も育たず砂漠となってしまったのだ。



But to think.... That he left this much of an experimental song on record already.
?
Is this all?
I asked if this is all Kevin.

I'm just saying this, but did you think that you'd be able to get more than this?
More than "DEMOS"
W-What do you mean?

It seems like you don't understand why I braved this much danger and came all the way to New York.

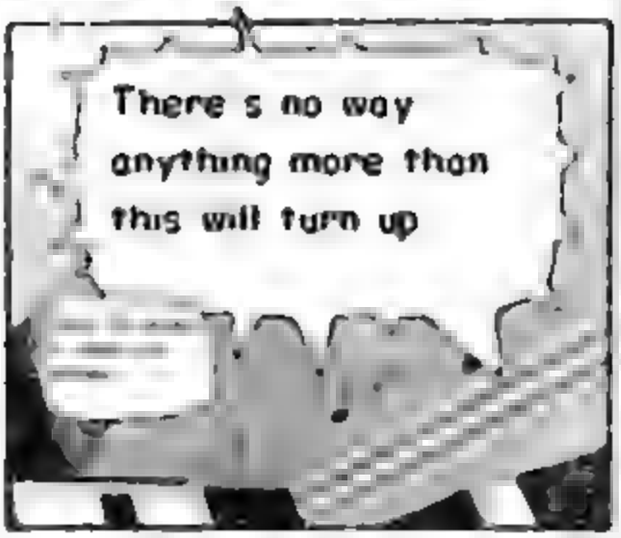
THE WEST COAST

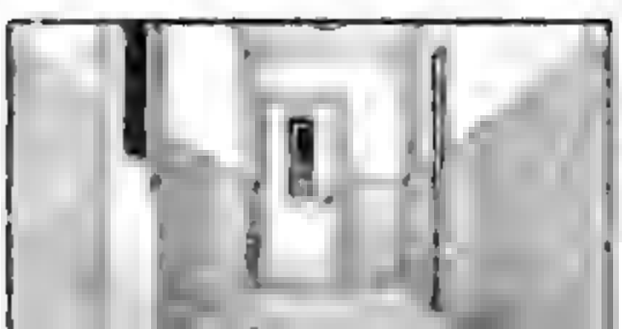
You'll be making an enemy of Leon Sykes and Victor Slater.
Don't hide it.
Even though it's an ambitious experimental creation, it's not the kind of song that would be a hit.
"Fast Line Drive"
"Anchor"...Do you understand what I'm saying?
8
I-In short, a hit song that will sell like crazy?
.....
スッ
If it's possible, more so than the song you gave me.

"Let it Be"
"Light My Fire"
"Smells Like Teen Spirit"
You mean a hit song that defines history

Let me tell you how hard I worked just to find this song!!



There s no way anything more than this will turn up



I definitely need it this summer
A song that will be engraved in the minds of the audience in a second

I don't know anything about that!!
I guess it was just a simple rumor huh....

There s a man named Willey Renoir
"Eddie Lee has left behind another song"
It seems like he told his uncle
He s an unknown to the general public but back in the 60s he was know as a reformer of blues
"I heard it from someone intimate with Eddie Lee"!

Back in the 60s, he hung out with a lot of musicians
He's a man that's unusually well known in certain rock musician circles.
Willey Renior....Never heard of him.
Then isn't asking that guy the fastest way...
It's been more than 20 years since his uncle's seen him.
And only to borrow cash at that
Divorced 3 times, drug overdose, blindness...

I wonder if this information is even accurate

After that, who knows if he's dead or alive.

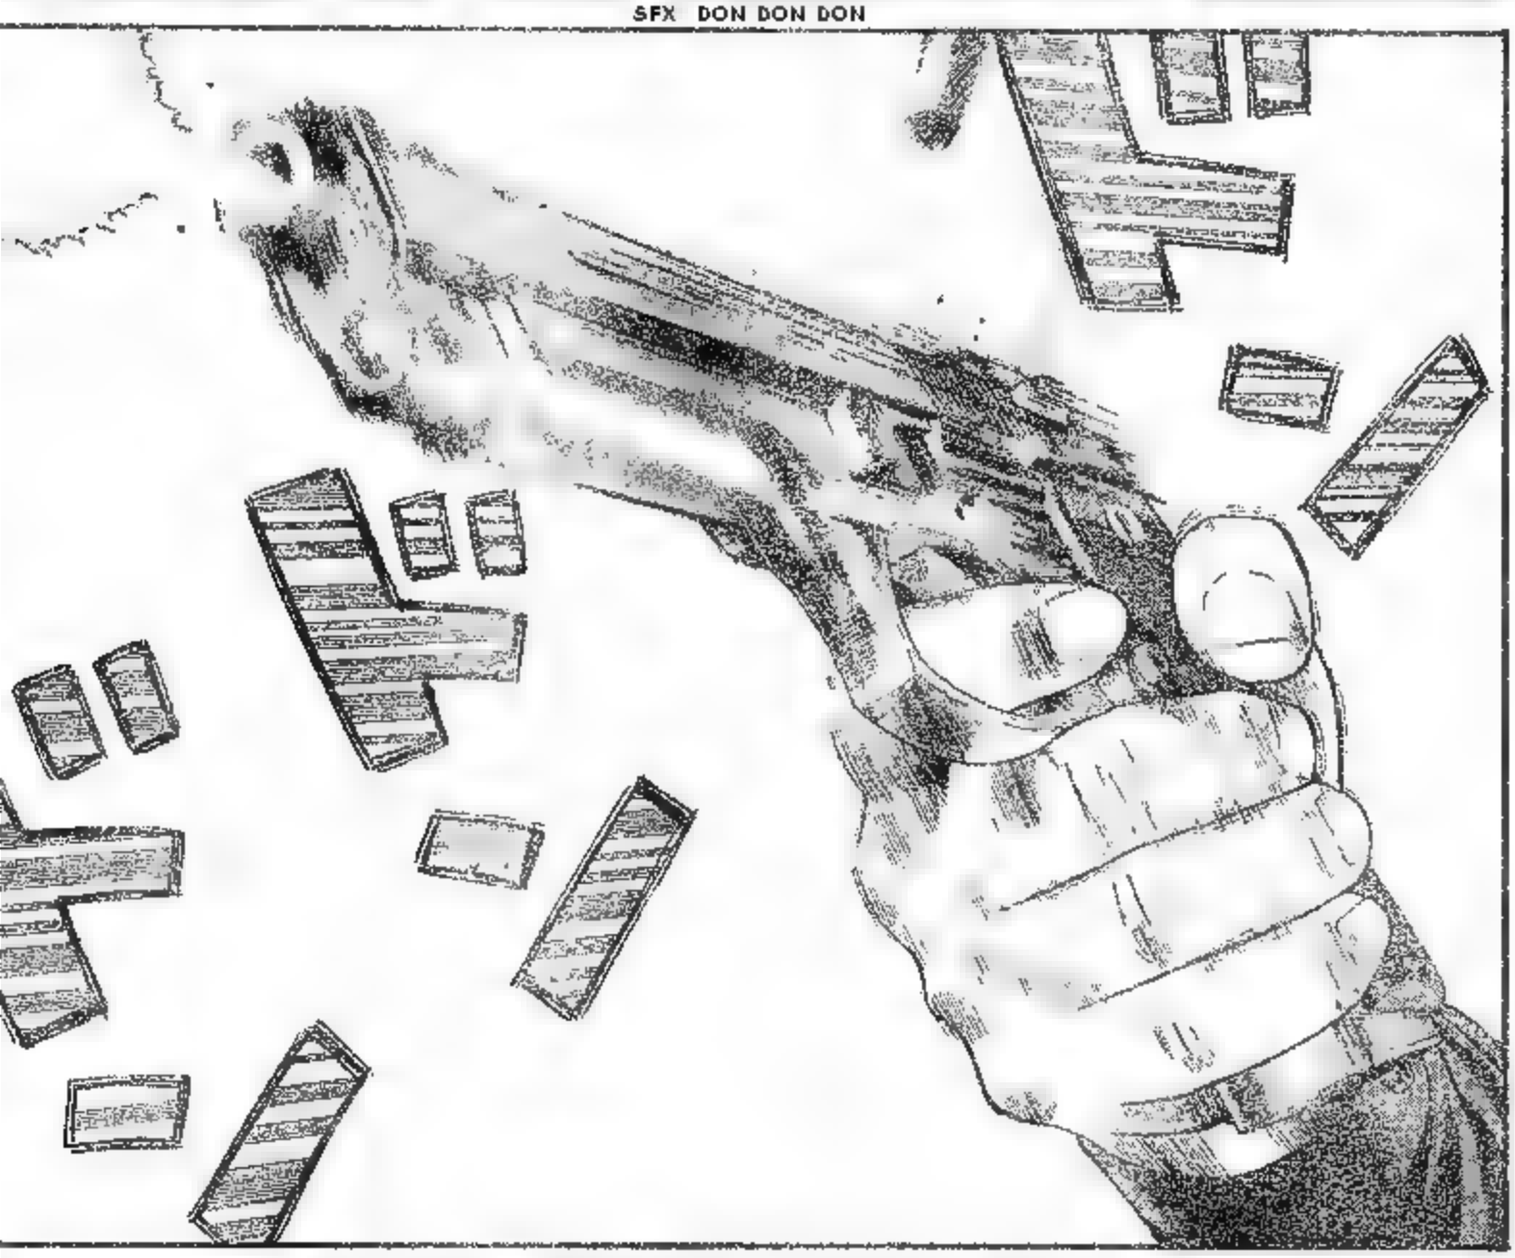
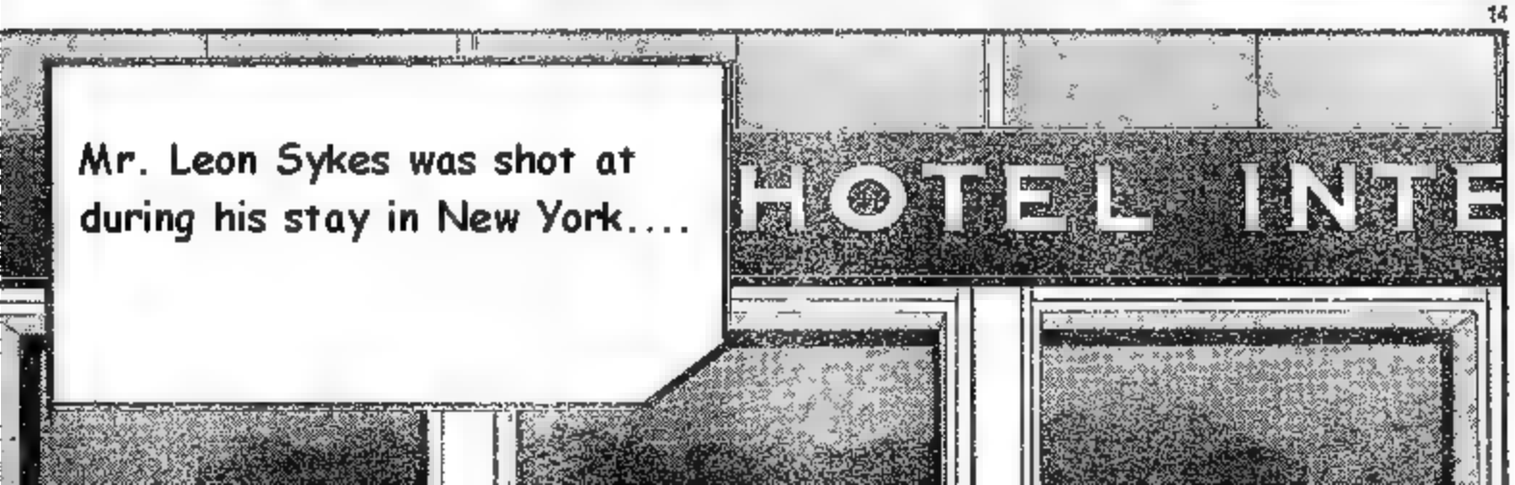
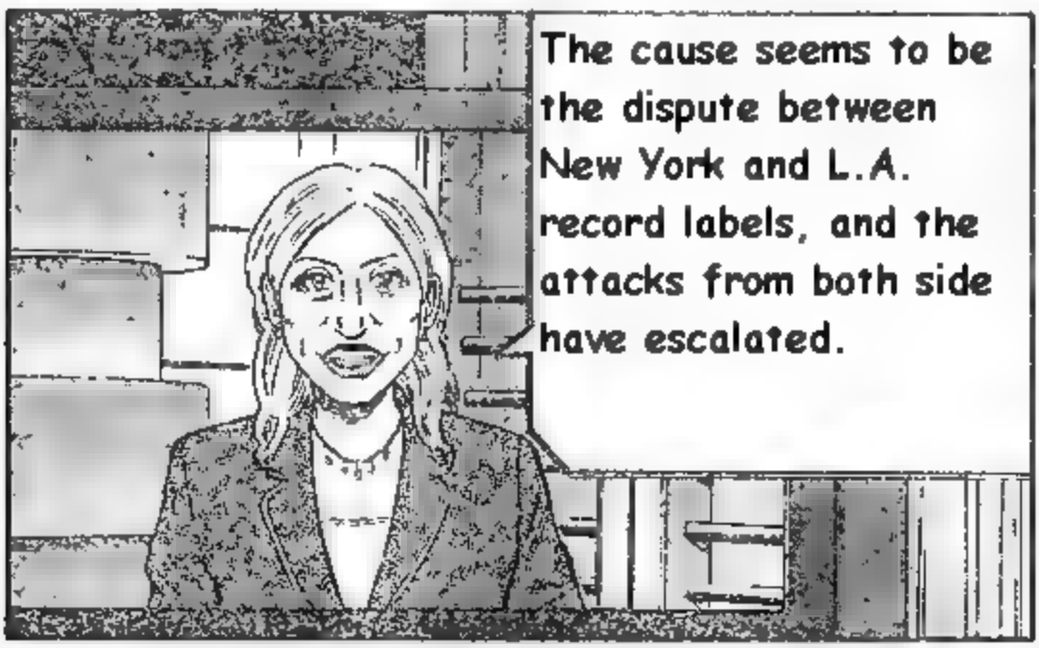
SFX DON DON DON





FUCK····
There was no danger to his life, but his entourage sustained injuries.



The cause seems to be the dispute between New York and L.A. record labels, and the attacks from both side have escalated.

Someday I'll definitely kill all those New York fuckers.
THE WEST COA

Why were my movements exposed....

We need to thoroughly investigate those involved with Eddie Lee at a dizzying pitch
There isn't much time until The Avalon Festival
Leon, we should return to L.A. right away.

There are not
There are studio musicians who are better than you just laying around
There are other people

I'm probably going to have to do something like an audition...

Could it be you guys are worried?...

If you pass that?

Don't worry. I don't have any intention of causing trouble for Beck.

I'm sure there's been a ton of people who've been called before me

They started recording half a year ago and it's been such a mess they haven't even been able to record a single song

Original translation by Andreil and beck (the user), I translated the spanish lines with google, retranslated some japanese with my lame skillz, and the lines I couldn't by forcing non-fan friends to read the chinese version to me... ^_^; Don't complain if it's not perfect.

Well, let's see. What song?

Well, it's a shame, but I haven't heard it yet.

I received an email that said,
"I composed a song called 'Devil's Way'.
I let one of my Japanese friends listen to it, and he said it sounded really good."

"When it's finished, I'll let you listen to it."

DID YOU KNOW, KOYUKI? THE LAST PLACE EDDIE WAS HEADED TOWARDS WAS HYPE'S RECORDING STUDIO.

His people are looking for my manager as well.

Leon Sykes is searching for the song that's in your head.

He's probably erased everything that has to do with Eddie.

The probability is small, but it could happen that he'll appear in front of you soon.

You need to bury that song deep in your brain.

He donated a lot of money and lived with his adoptive daughter... and she's from a foreign country.

His house is huge... Eddie Lee must've been very rich.

What are you listening to?

Blues... maybe Eddie knows...

This is classic blues, played way before you were born.

Are you Eddie Lee's little sister?

Yes .....

To tell you the truth, I'm one of his friends, and I'm looking for a song he hasn't published yet.

You're one of his friends?

Do you know anything?

Yes I do!

He got mad at me when I drew on his guitar.

He was often making many songs.

Leon, there's no reason to be talking with kids.

He said, "It's very important to me."

Mom !

Tatiana!

It's very possible that it doesn't even exist...

Mr. Sykes... if you couldn't find out anything here,

Is it the same one you were talking about earlier?

?

An important guitar...

I don't know, but Eddie always used the same guitar to write songs.

He had it in the hotel suite, but I don't know who has it now.

Doggie, change in plan.

We leave the song for now.

I'm looking for Eddie Lee's acoustic guitar!

Eddie's...

...unpublished song?

Many people are searching for the song without stopping, you know.

He came to us many times, too.

You look really idiotic...

The truth is, I haven't been able to speak with him yet.

UMMMM..

THAT'S TRUE, BUT WHY IS IT THEY ALL COME HERE TO CROSS OVER THEIR MUSICAL GENRE?

HE WAS SPEAKING RIGHT TO HIM, AND DIDN'T ADDRESS HIM POLITELY?!

WE'RE STARTING TO REALLY SHOW OUR AGE.

ALTHOUGH SHINSAKU WILL LIVE ON YOUNG IN OUR HEARTS...

NOTE YOBISUTE IS WHEN YOU TAKE OFF THE -SAN, -CHAN, WHEN SPEAKING, WHEN YOU DO THAT IT MEANS YOU KNOW THE PERSON VERY WELL, SO UNLESS YOU DO, IT CAN BE CONSIDERED VERY RUDE

ザワ

WHATEVER THOUGH, THAT GUY'S GOT A HUGE MOLE!

DID HE REALLY ADDRESS HIM LIKE THAT?

ザワ

WHO IS THAT?

ニヤッ

YOU'RE WORKING WITH THE BAND *BECK* NOW, RIGHT?

HOW'VE THINGS BEEN GOING LATELY?

I wasn't really planning on doing that...

FOR HIM TO TURN INTO *THAT* IS SADDENING .....

THE GUY WAS LIKE A SHINNING BALL OF POSITIVITY.

I WOULD AGAIN LIKE TO DRINK....

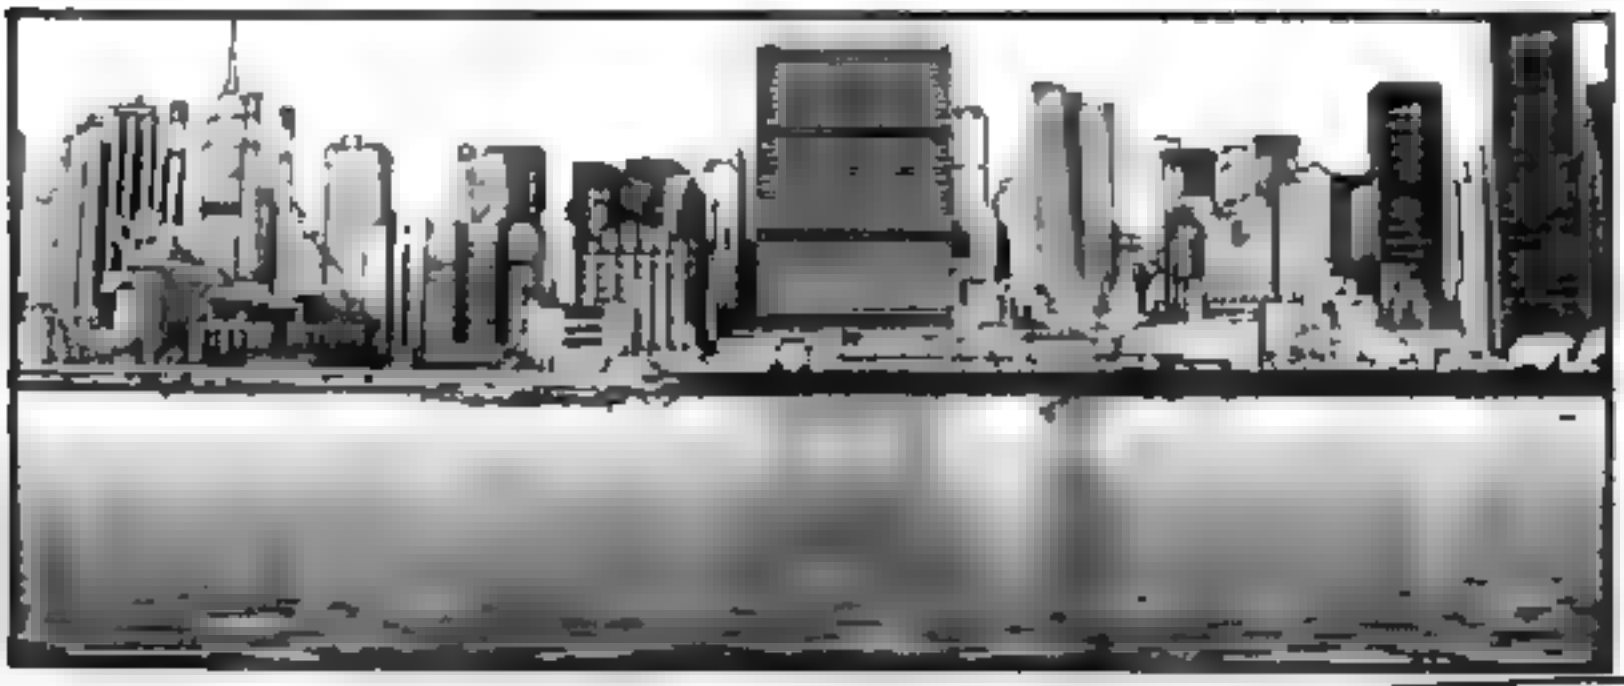
WITH SHIN-SAKU.

NAH, THAT SMILE WAS MORE OUT OF DESPERATION.

IT WAS COOL THE WAY YOU SMILED LIKE YOU WERE INVINCIBLE AT THE END THERE.

EH?

LET'S GO GET SOMETHING TO EAT.



Which means Willy Lenoir must have heard from someone that Eddie played songs to someone else.

But the guitar he must've used to write the song we're looking for is missing.

スッ

What do you think that means?

HOLLYWOOD

ロサンゼルス

ワイワイ

Do you remember meeting that one time at Cindy's party?

We had a blast talking about Matt Lee!

Oh, if I'm right, you're Victor Slater's son's...

The name's Kenneth!

Matt is a blessing to the media.

Matt was on TV again today.

No...

ガヤガヤ

Have you met up with him recently?

To a Japanese kid.

Matt gave Eddie's guitar

Not since he handed over the guitar.

Guitar?

I saw that music video.

Hiii Jim!

You're the one that filmed that Japanese band, aren't you?

Wow, that was cool!

Don't you think so?

The band's been getting more and more popular.

I actually haven't seen them perform yet.

EH!?

You met Dexter from HYPE!?

W-What kind of person was he?

HE WAS EVERYTHING I EXPECTED HIM TO BE.

I still can't believe it for myself...

Awe-some..

Doritos

I BARELY GOT AWAY FROM LEON SYKES IN NEW YORK.

IT SEEMED HE WAS SEARCHING FOR *"DEVIL'S WAY"*

MAYBE DURING THAT TIME .....

IT JUST SEEMS IMPOSSIBLE.

I DECIDED TO JUST THROW IN THE TOWEL...

SEEMS LIKE YOU WERE UP ALL NIGHT.

YOU'RE NOT GOING INSIDE, ARE YOU?

YEAH!

ROBBY'S THERE, RIGHT?

IT'S BEEN A WHILE SINCE I'VE SEEN THEIR FACES LIKE THAT.

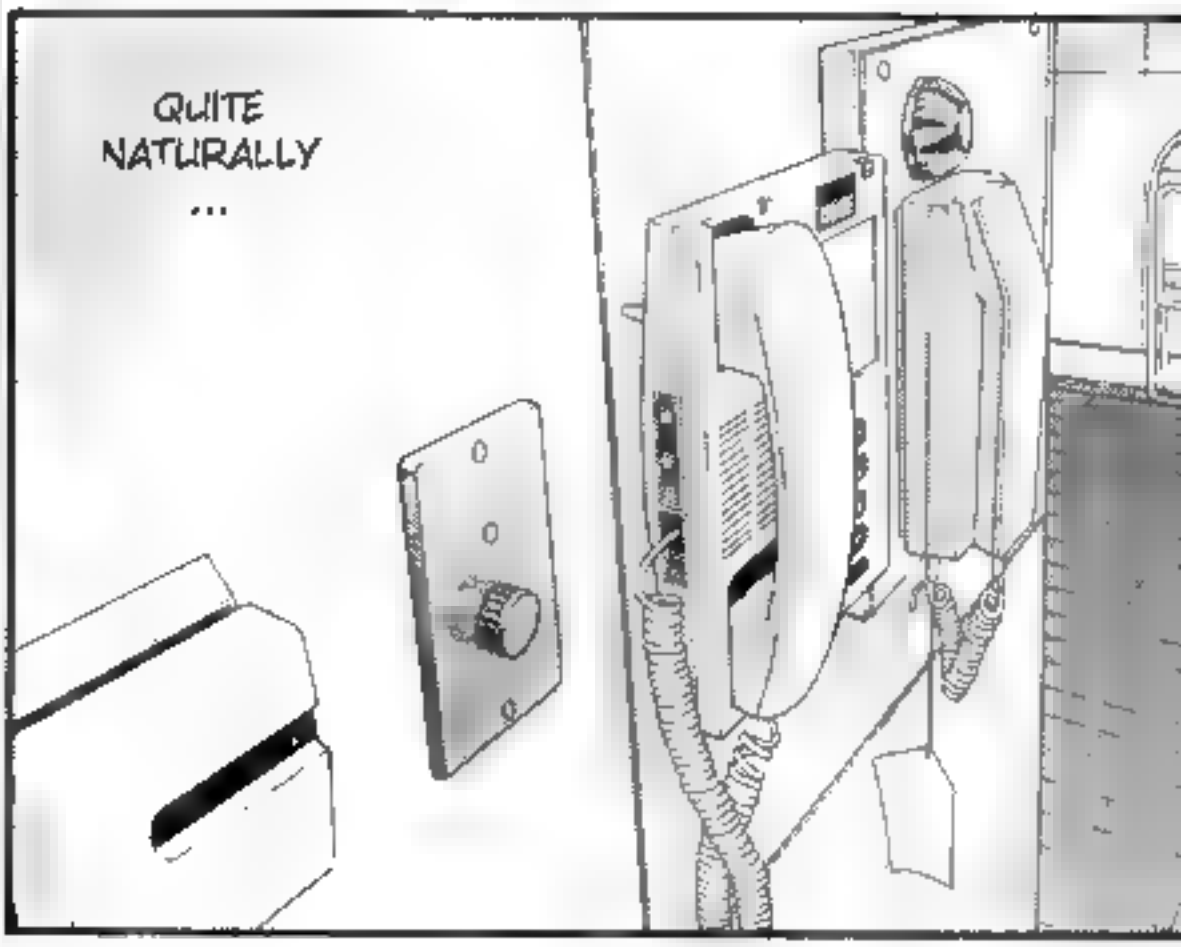
I CAN'T ENTER WHEN THEY'VE GOT THAT VIBE GOING.

パタン…

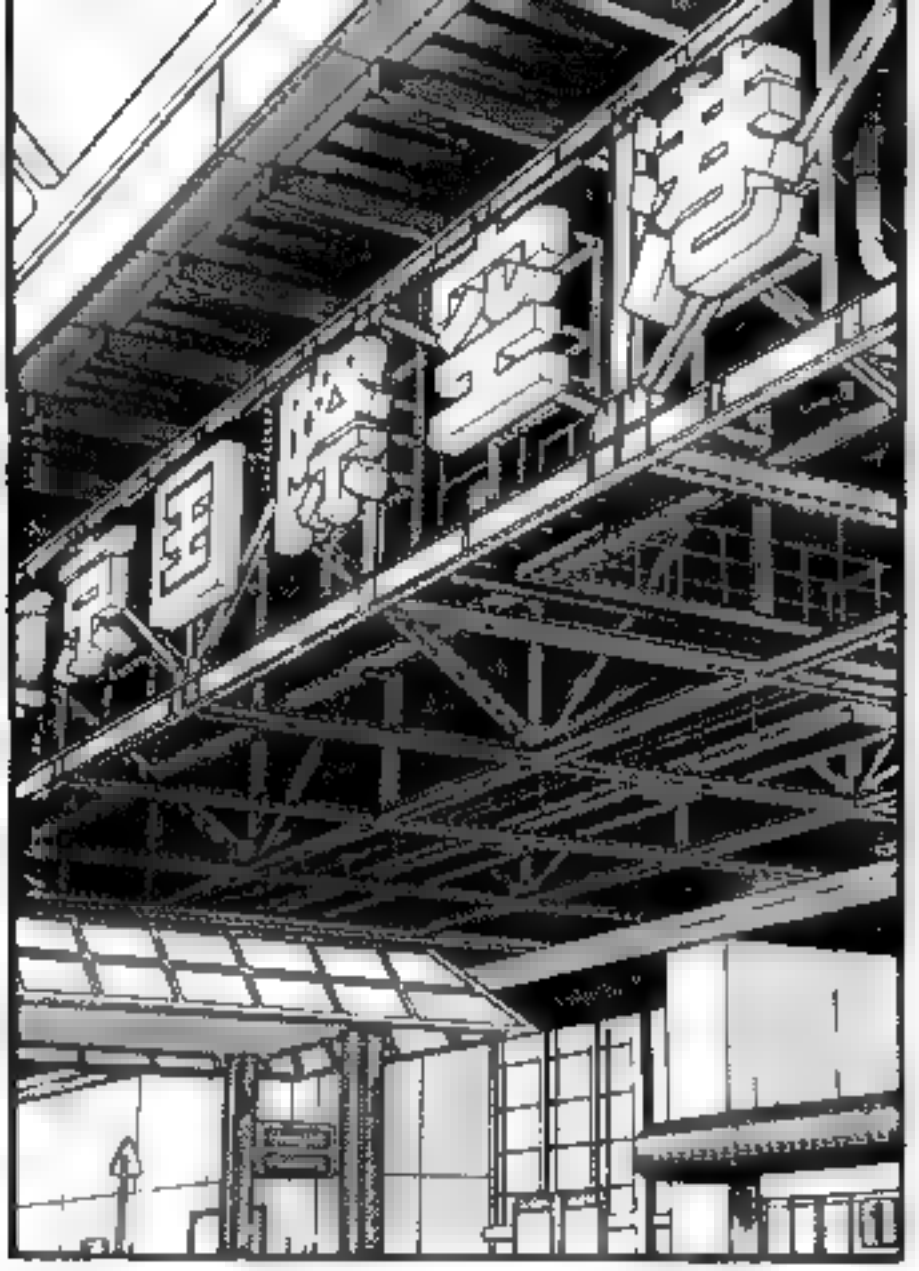
YEAH, IT'S BEEN SUCH A LONG TIME...

I CAN'T BELIEVE THINGS TURNED OUT THE WAY THEY DID...

EITHER YOU DIDN'T THINK ABOUT THE TIME IN THE CAR BY THE FISH POND OR



QUITE NATURALLY ...



As usual, it's hot in Japan.

.....

EVERYONE'S TALKING ABOUT HOW THEY'RE SCARED... AND THAT THIS WAS A REALLY STUPID MOVE...

HEY, RYUUSUKE..

WAS IT NOT SUCH A HORRIBLE THING TO DO?

JUST A THOUGHT, BUT..

DO YOU THINK IT WOULD DO ANY GOOD FOR DEXTER TO HEAR US OUT?

DO YOU REALLY THINK SO?

SO, THERE'S NOTHING WE CAN DO!?

HYPE IS THE MOST INFLUENTIAL BAND IN THE WORLD RIGHT NOW..

EVEN IF YOU *DO* REGRET LISTENING TO IT...

UP TO YOU.

I'M LEAVING ALL OF THE LYRICS..

TAKING THE RESPONSI-BILITY?

IT'S DECIDED. YOU'RE TAKING THE RESPONSI-BILITY.
